

Luxaflex®
Silhouette®
Shadings

**Inspired by design.
Crafted with care.
Indulgent in style.**

Silhouette Shadings with Signature S-Vanes combines elegance with functional design to bring subtle drama to any room. Transforming harsh sunlight into gentle, diffused glow, this unique shading offers limitless design options and many possibilities.

Simple Elegance

No cords run through the fabric shading to detract from its simple elegance, whilst providing an unobstructed view.

Advanced fabric technology maintains the shape of the S-Vane for years to come.

Distinctive Design

Our focus on quality, innovation and design excellence stems from our original Silhouette Shadings invention. Cleverly engineered, Luxaflex Silhouette Shadings feature soft S-shaped vanes between two sheer fabric panels for an elegant appearance of floating vanes. The unique S-shaped fabric vanes bounce incoming light up onto the ceiling and naturally brightens the room.

Well engineered for a clear view through.

Eliminate Moiré Effect

We designed the weave on the front and rear sheer facings to avoid moiré effect at the window. Moiré is a visual strobing effect that occurs when an open fabric weave is placed in front of another similar weave, obstructing the view through and potentially causing headaches or migraines. Many knock off products are known to do this. Don't settle for anything less than the original and the best.

Softly filters sunlight.

Transforms Harsh Sunlight

The sheers softly filter light protecting flooring and furnishings from harsh UV rays. Simply tilt the vanes to achieve your desired level of light. Open the vanes for light diffusion and daytime privacy whilst maintaining a view through your window. Adjust the vanes for greater light deflection and privacy. Close the vanes for complete privacy and UV protection.

White sheer fabric backing reflects sunlight.

Energy Efficient

Featuring white sheer fabric backing for superior solar reflection, reducing heat gain and providing a consistent neutral home exterior appearance.

Luxaflex® Silhouette® Shadings

Vane Size
Choose from three vane size options 50mm, 65mm and 75mm. Each vane size offers its own aesthetic appeal from understated and classic to bold and dramatic.

Fabric shade neatly rolls into the headrail when raised.

Contemporary

Designed using the latest colour trends, styles and textures from around the globe. Silhouette Shadings offer the widest range of fabrics to effortlessly suit your interior with matching fabric covered headrail, matching cord and bottom rail for a sleek design.

Easy to Maintain

Made from 100% anti-static polyester, Silhouette Shadings naturally repels dust and dirt off the shade for easy maintenance with only an occasional light vacuum required.

Room Darkening Vane

Translucent Vane

Opacity Options

Select from translucent fabric vanes to filter UV and provide a warm glow in the room, or opt for room darkening fabric vanes to help darken your room and provide complete privacy.

Perfectly Complements

Combine Silhouette Shadings together with Luminette® Privacy Sheers to achieve a completely coordinated and uniform colour pallet throughout your home.

Luxaflex® Silhouette® Shadings Operating Systems

Discover the most innovating window covering in Australia.

Tilt, raise or lower your shadings for complete light control. Designed for simplicity, ease of use and enhanced child safety, combine your Silhouette Shadings with one of our unique operating solutions including PowerView® Motorisation, EasyRise or UltraGlide® 2 Lifting Systems.

UltraGlide® 2 Shades

The ultimate in convenient operation, the UltraGlide 2 Operating System is a click and walk away system. Featuring a single retractable pull cord mechanism, the cord length remains a consistent length when raising or lowering the shades providing a cleaner finish and enhanced child safety.

Simply pull the cord straight down with long strokes to raise the shades, or pull the cord down with shorter strokes to tilt the fabric vanes. To lower, pull the cord on an angle to click and release the shade.

EasyRise Shades

EasyRise features a continuous cord loop system for easy operation no matter the size of the shades with the cord loop tensioner mounted for enhanced child safety. Simply pull down on the rear cord of the cord loop to lower your shade and tilt the fabric vanes. Pull on the front cord of the loop to raise it.

PowerView® Shades

With Luxaflex PowerView Motorisation, the world's most beautiful window fashions are now the most intelligent. This innovative wireless operating system automatically controls & powers a wide range of Luxaflex internal and external window covering products creating the perfect room ambiance morning, noon and night. Simply program PowerView to move your window shades to the exact position you want and then control and schedule them using the intuitive PowerView App.

Take Control

You can operate your shades with the touch of a button using the stylish Pebble® Remote Control, smartphone or tablet device (via the PowerView App), or with voice command using Google® Home or Amazon® Alexa®.

The PowerView Pebble Remote Control is ergonomically designed and is available in seven colours. Control up to six groupings of window treatments either individually or together.

The PowerView Pebble Scene Controller features an advanced display screen that lets you conveniently preview and select room scenes that have been programmed using the PowerView App.

Child Friendly

Along with the added convenience of cordless operation, PowerView Motorisation creates a safer environment for homes with young children and pets.

Battery Powered

Most PowerView blinds are battery-powered making them easy to install with no electrician required and are simple to operate and maintain. The battery-pack is hidden behind the headrail so there's nothing to mar the beauty of your window shades.

Secure

The RemoteConnect feature, along with an internet connection, allows you to operate your shades from anywhere in the world, using your smartphone or tablet.

Flexible Schedules

The PowerView App unlocks the full potential of PowerView Motorisation. Using the App on your smartphone or tablet, you can quickly create customised Scenes or schedules that control all the shades in your home to operate together or in any combination you desire. Easily schedule those Scenes to move your shades automatically at a set time of your choosing or coordinating with Sunrise and Sunset.

Energy Efficient

Customise Scenes to ensure your windows are shaded during the peak sun exposure times during summer and cooler times during winter to control solar energy throughout the seasons and keep the sun from fading your furniture.

Smart Home Automation

PowerView is a cost effective automation solution. The PowerView hub can integrate with your existing home automation system like Google Assistant and Amazon Alexa to create a whole-home connected experience.

The Luxaflex® Difference

Innovation is our Heritage

Luxaflex Window Fashions has been a leading brand in Australian homes since 1954. With a Dutch heritage, design and innovation are at the core of the brand. Since the invention of the Aluminium Venetian Blind, the company behind the Luxaflex brand has continued to expand the Australian product range, combining the best of international and local innovations.

Australian Made Quality

Most of our product range is made to measure in Australia from components and materials made in our Australian factories or sourced from around the world. Our commitment to supporting Australian manufacturing provides local jobs to Australians and ensures we maintain strict control of our quality standards and faster lead times for our customers.

Industry Leading Designs

Many of our products are patented and exclusive to Luxaflex Window Fashions. Our entire range is engineered and thoroughly tested to meet the high quality standards of the brand, but also to deliver high performance in our harsh Australian environment, and to maintain the quality appearance for the life of the product.

Peace of Mind

You have complete peace of mind when investing in quality Luxaflex Window Fashions. We stand behind our products by offering a 5 Year Manufacturer's Warranty* supported by the world-wide market leading company.

Child Safety

We understand the importance of safety in the home, especially for those with young children and pets. That's why all Luxaflex Window Fashions are designed with safety in mind and are compliant with the latest ACCC Child Safety Regulations to ensure they can be operated in a safe manner.

Personalised Service

All Luxaflex Window Fashions are custom made to your exact window requirements so they fit perfectly. Our Luxaflex Window Fashions showrooms provide the ultimate experience to make it simple and easy - from your initial enquiry and showroom visit through to the after-sales service.
